There had been an overspend of £28.6m and the status was now £2m under budget. A number of senior officials are leaving. Cllr Barnett reported on the last LCN meeting he and Cllr Hall had attended. Of 18 councils only 6 were represented. There is a highways meeting coming up but as it is at 9am it is impractical for working people to attend. In future there will be four meetings per year instead of six. A questionnaire from the Frome parishes will be circulated to councillors to enable them to select the relative importance of various aspects of life.
- 24/25 /96 **HIGHWAYS:-**
- a. Bridge refurbishment - Cllr Salter provided the councillors with printouts of the work required together with photos. Following discussion it was agreed that Cllr Salter would investigate quotes. The Clerk will seek information on possible grants.

It was agreed that the Clerk could put a link to the group on the Council's website. The Clerk would check on how representatives of other councils identified themselves at meetings and whether there is a formal 'sign up', etc. Some Catcott councillors would attend the next meeting to get a better understanding of the necessity for the group and also how it operates.
- 24/25 /102 **THE POUND - FASTENING THE BENCH TO THE GROUND** - it was agreed that Cllr Salter would look into the possibilities.
- 24/25 /103 **WAR MEMORIAL AND WAR VETERANS** - following discussion it was agreed that no names could be added to the structure of the war memorial itself.
